

**CITY OF HUNTINGTON BEACH
MEMBER OF THE CITY COUNCIL**

JOE CARCHIO

OCCUPATION: Restaurant Owner/Businessman

Neighbors:

Our city needs leadership. Public Safety cannot be taken for granted. We're safe and we need to remain safe.

Local economy drives city budget. I own a local restaurant, pay property, sales, self-employment, payroll, workers compensation taxes and too many user fees. I employ lots of people. I'm very concerned about how my tax money is spent!

I'm a parent, husband, and business owner. Also, I've been:

Member of the U.S. Army
Baseball Coach, Ocean View High School, ten plus years
Football Coach, Ocean View High School, ten plus years
Owner, Shirt manufacturing company
Active Community Volunteer

High school age kids taught me the patience I need to lead. Coaching taught me the importance of Teamwork. Owning businesses helped me understand the need to manage cost, develop income to pay bills. Employing hundreds taught me the need to understand human nature, how to manage labor issues and the importance of respecting those who do the work.

Please trust me with one of your votes on November 2. I promise you Jersey Joe Carchio will serve with honor, try my hardest to prepare for every issue and be a mediator among my colleagues during public debates.

Sincerely,

Joe Carchio
